PRESIDENT'S REPORT

ONCE again, we will attempt to conduct our Annual Singles International Business meeting during the FMCA 105th International Convention & RV Expo-August 24-27, 2022 at the Lancaster Event Center-Lincoln Nebraska. I cannot set an exact date and time because many of our members perform with the Frustrated Maestros and we practice every day and these times are not currently known. Some of our members will be involved with the affairs of the annual Governing Board Meetings. You cannot anticipate all the activities that will

engage your time at the National Conventions. So, sometime during this rally, if we can muster up at least 15 members and set a time and place, we will have our Annual meeting. David will have the announcement posted in the daily news bulletin and posted at our Happy Hour Gatherings. Our Executive Vice President, David Robb will conduct the business meeting. The agenda calls for a normal meeting. I have asked all the current officers to continue in office until our next business meeting at Perry Ga in March 2023. FMCA has again asked the Singles Chapter to be responsible for the fun/games and David Robb will be the Captain for this rally. He will be asking all who plan on attending to contact him so he can organize the volunteer roster for FMCA to include in their reporting and collect volunteer benefits...David will include his itinerary in this issue.....

On July 6, 2022 the Northeast Area (NEAR) announced that the Rally scheduled for August 4-7, 2022 in Fryeburg Maine has been cancelled because of low family and vendor registration and high fuel cost in this area (some truck stops were out of fuel). I was thinking of attending because it was a fun rally and sometimes I would coordinate it with the NASCAR races in NH...

In search of a new Northeast VP, I scanned our roster for members in that area and I only found two. I contacted them and they turned me down (with reasons).

I hope you recall reading FMCA President, Rett Porter's column in the July 2022 issue of our Family RVing magazine. When he was discussing FMCA Membership, he said, "If we figure two people per membership, this would equal approximately 150,000 individuals in FMCA. Yes, we know that some members travel alone, and we even have a chapter called Singles International." I just had to thank Rett for his mention of OUR Chapter and I was hoping this might result in a few NEW Joins...

After publishing requests for a volunteer Web Master and receiving NONE..., I guess that I will tackle this important communication link for our chapter.

G.E.A.R. RALLY (Great Eastern Area Rally) - July 2022

Here I was sitting at home for the past couple of years due to VIRUS PANDEMIC and now the sudden jump in FUEL PRICES when it dawned on me that it would be nice to actually attend a FMCA rally. So, rather than dream about it, I gathered up my supplies, dusted off my motor home and headed to West Virginia. After several delays due to mechanical problems attributed to non use of my trusted motor home, I was underway. While traveling through Virginia on a very warm sunny day, the sky suddenly turned very dark and without warning the winds picked up (80 miles per hour gusts) and the rain was similar to a water fall with intermittent periods of hail. I managed to get off the interstate and safely waited out the storm. I had my doubts about arriving at the rally in one piece.

Finally, I arrived and was pleasantly surprised to find the sun shining and the fair-ground camp spots were full. There were four of us brave souls (SI's) that attended: Rose Marie Ladue, Rebecca Riedy, Rita Walters, and me. Rebecca is one of our newest members.

A warm welcome goes out to Rebecca. We are happy that you joined our chapter of FMCA.

While at the rally it was noted that it was well attended with many different chapters in attendance. Various games were scheduled such as bean bag baseball and card bingo along with a scheduled daily dog walk/parade. There was entertainment nightly as follows:

Thursday July 15th "A BAND CALLED HONALEE" that sang songs from the 1960's folk/rock era. They put on a great performance

Friday July 16th "STEVE LESLIE" performed music of James Taylor and his performance was great.

Saturday July 17th "SARAH GETTO" performed a variety of music utilizing several different musical instruments and singing along with her father. The amazing part of this outstanding act is the fact that Sarah was born blind and has taught herself to play a variety of instruments and is a very accomplished singer.

All in all, a great time by had by all in attendance.

Respectfully submitted, *Bob Gillis, Eastern Area VP*

I attended the GEAR rally in Lewisburg, West Virginia with the Eastern Flats and Sharps . It was great to sing with the Frustrated Maestros and spend time making music and singing. We first had a music camp to see who came and it was a great group. We were busy every day pulling music and putting back music. We sang at morning coffee Wednesday through Saturday. Our Music Director was Charlie and Roxie. We had Carl and Marty and a new lady Rose visiting and singing.

I am also an SI member and there were 3 other SI members attending.

News from all over

From Wyoming!

I may not be travelling South for winters anymore but am still camping with local club in Wyoming, Am attending a July wedding in Idaho, going to ND to visit family and friends/classmates there in Aug-Sep. Also attending an Air Force reunion in Colorado in late October. Kept the RV and not ready to give it up yet though we are both getting up in years!! With the Summer FMCA being in Gillette WY in 2023, I may be attending and hope to see many of the new SI members there and helping with card Bingo!!! Hugs and best wishes to all.....*Joanne Harnit*

From a Fulltimer chasing FMCA events!

(Boy does that bring back memories—I was doing that almost 20 years ago)

Been busy, sold townhouse and small camper and bought motorhome, full timing now, like to know how many Singles will be in Lincoln for games?? Should be fun to see friends again and make new ones

Dave Robb

From your Newsletter Editor in Ontario, Canada!

I am very disappointed that the Northeast Area Rally was cancelled. It would have been my first FMCA event (except for local chapter rallies) since February 2020. Since the dates were already set aside for a few of us I invited those members to meet at my place (dry camping) and visit points of interest nearby, a few historic museums, the story of the St Lawrence Seaway and a winery. We cannot rival an area rally but it should still be fun.

Bob Mills

IMPORTANT

If you are planning to attend FMCA's 105th Convention and RV rally in Lincoln Nebraska, please advise David Robb and indicate on your registration that you are a volunteer for FUN/GAMES.

David needs all the help he can get.

NOTICE FROM OUR SI TREASURER

GFI NOTIFY SYSTEM 24/7 CIRCUIT MONITORING

What Is GFI Notify?

[GFI Notify](#) is a system of detecting power loss. When that happens, up to three contacts are notified by email and text within 6 minutes of that outage. Remedial action can be promptly taken.

When you travel, it is important to know if, in your house, a freezer or sump pump or an aquarium has lost power... or even if the entire house has lost power. Many homeowners have in their garages, for example, appliances that are plugged into an outlet on a GFI circuit. GFIs can trip (lose power) for many reasons including a close lightning storm. It would be terrible to come home to a smelly mess of thawed out, expensive food. GFI Notify comes to the rescue so that you can have peace of mind when they travel.

Plus, get peace of mind when you travel!

GFI Notify can also work in your RV. It works as an extra layer of protection for your pets when you have to leave them in the RV alone. GFI Notify will alert you within 6 minutes of a power outage to your RV.
